Hi Amy,

No preparation is needed. I should have set this up as a webinar but it is too late now.

Feel free to chime in at any time during the presentation.

Hi Jayne,

I plan to call in to take notes for the conference call. Please let me know if there is anything you want to go over beforehand.

Thanks, Amy

Hi Kary,

### Ex. 6 - Personal Privacy

The powerpoint presentation provides enough for me to run the meeting. I think it is a good idea for Ari to participate so thanks for inviting him. Also is helpful to have a notetaker too.

Take care,

Jayne

Hi Jayne,

## Ex. 6 - Personal Privacy

This morning I spoke to Ari Engelberg, the ORISE intern who coordinates Success Stories for EPA HQ. He is willing to sit in as a resource during the call and answer any WQ-10 questions that the participants might have.

Amy King at Tt has also offered to arrange for someone to listen in and take notes if that would be helpful. I will forward the meeting invite to both of them just in case. Please coordinate with them directly.
